Solor Power (e-sun)	Wind Power (e-wind)	Linked Repeater (l) - *See Below	
Portable Repeater (p)	RACES Repeater (r)	ARES Repeater (s)	
Wide-area Coverage (x)	Direct Law Enforcement Access (z)	Weather Net/Usage (WX)	
IRLP?	EchoLink?	D-Star?	
List DCS Code: _____	Linked to what freq? _____	List PL Tone in Hz: _____	

Do you want this repeater system published in the annual ARRL Repeater Directory?    Yes    No

Contact us if you have any questions about this form. After receiving your coordinated frequency the repeater must be on the air and fully operational within 3 months. The repeater trustee must notify us that the repeater is operational; failure to do so will result in forfeiture of the coordinated frequency. The repeater trustee is responsible for filing an updated coordination form every year or anytime a change is made to the system relevant to the coordination. Annual updates **must** be received **before** November 1<sup>st</sup>. Failure to provide an annual update will result in de-coordination and forfeiture of the coordinated frequency.
